CEDAR HILL STATE PARK

Located on beautiful Joe Pool Lake, Cedar Hill State Park is one of the most visited parks in Texas, consisting of 1,826 acres of rugged, natural beauty reminiscent of the Texas hill country. If not for the amazing views of the Dallas and Fort Worth skylines, visitors easily forget they are in the largest urban park in the state and the fourth-largest metropolitan area in the nation.

Whether you want to take the boat out, go fishing, swim, or kayak, the 7,500 acre Joe Pool Lake is the place! But it's not all about the lake. The surrounding area's superb natural beauty and proximity to other attractions draw visitors from all over the country.
